As specially trained ministers of the gospel, they seek to encourage others in their relationship with Jesus Christ. They seek to minister to the whole person, addressing not only a person's spiritual needs, but also their physical and emotional needs.

VOM was founded in 1967 by Pastor Richard Wurmbrand, who was imprisoned for 14 years in Communist Romania for his faith in Christ; his wife, Sabina, was imprisoned for three years. In 1965 they were ransomed out of Romania, and soon thereafter they established the global network of missions of which VOM is a part. The Wurmbrands based these missions on Hebrews 13:3, which instructs us to "Remember them that are in bonds, as bound with them; and them which suffer adversity, as being yourselves also in the body."</p>
